

The CT Chapter CPCU is volunteering at “High School Inc”, Hartford ’s new Insurance and Finance Academy . Students at this school have an early interest in insurance and finance subjects and careers and we can encourage this interest by volunteering in their classrooms. We are teaching two Junior Achievement (JA) programs: Business Ethics and the JA NEFE High School Financial Planning Program. Come and join us and share your knowledge, experience, and passion for the insurance industry with these inquisitive young adults!

The JA programs are activity based, fully scripted, and easy to teach. Training will be provided beforehand by Junior Achievement.

Classes will be starting in January. Please contact Wendy Simoncelli at wendys@us.ibm.com by Dec 15, if you are interested in volunteering.
